

# PRESS RELEASE

**Radu Radovici became the new CEO of MHP Consulting Romania**

## Leadership change at MHP Consulting Romania

- Radu Radovici took on the role of CEO at MHP Consulting Romania on February 1, 2025.
- This transition follows nearly 11 years of leadership from Bernd-Otto Hörmann.
- On the same date, Bernd-Otto Hörmann took on the leadership of a new project for MHP.

**Cluj-Napoca** – MHP Consulting Romania announces Radu Radovici's appointment as CEO, effective February 1, 2025. As part of this leadership change, Bernd-Otto Hörmann, former CEO of MHP Consulting Romania, has taken on a new challenge within MHP. His contributions to building an exceptional team in Romania and his commitment to fostering growth have left a lasting impact.

"Bernd-Otto Hörmann led MHP Romania with remarkable vision and an unwavering passion for people. With the courage to establish this company from the ground up, Bernd built what MHP Romania represents today: the largest subsidiary of MHP, with a talented team and offices in Cluj-Napoca, Timișoara, Bucharest, and strong partnerships with the most important academic communities in Romania", said Marc Zimmermann, Group CFO at MHP.

Zimmermann expressed confidence in Radu Radovici's leadership moving forward: "I am sure that Radu will continue our Romanian success story. Congratulations to both on their new roles. I look forward to further expanding our Global Delivery organization together".

Radu Radovici, the new CEO of MHP Consulting Romania, joined MHP in 2019 and played a key role in diversifying the company's technology portfolio, expanding the Global Delivery network, and developing the MHP Timișoara community. On July 1, 2024, Radovici was appointed Partner at MHP Consulting Romania, where, in this capacity, he focused on implementing the MHP 2030 strategy and driving the company's global expansion.

"Together with Monica Potop, CFO of the company, I aim to continue the success story of MHP Consulting Romania, starting a new chapter. In this journey, I will focus on four pillars that I consider essential for the further development of the company: empower people, accelerate innovation, drive global growth, and organizational stability. What matters most to me is that we continue to build on the strong foundation we've created together, never

losing sight of the core values and identity that define us", as stated by Radu Radovici, the new CEO of MHP Consulting Romania.

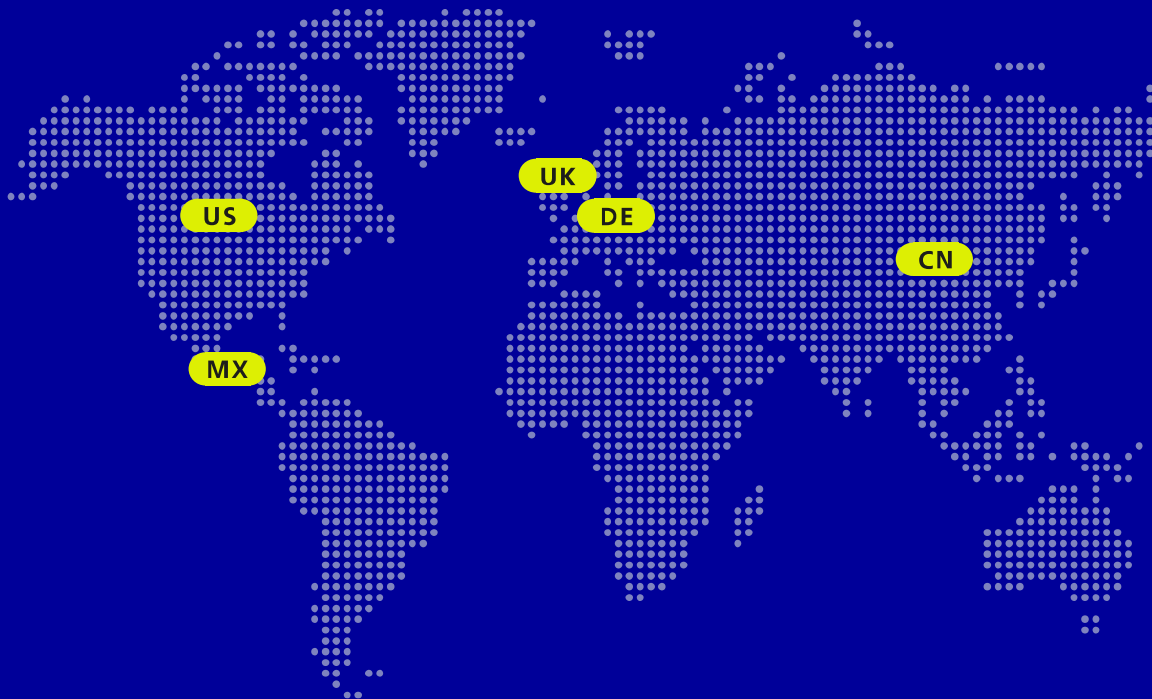

Monica Potop, CFO of MHP Consulting Romania, emphasized the importance of the leadership change: "I am confident that Radu Radovici's extensive experience in management and various business fields will significantly contribute to the continued success of the company and the development of our portfolio of innovative technologies for our clients."

With a strategic vision and their wealth of experience, Radu Radovici and Monica Potop are set to play a key role in further strengthening MHP's positioning as a reliable global partner for a sustainable future.

Reflecting on his role as former CEO of MHP Consulting Romania, Bernd-Otto Hörmann stated: "I am very grateful for everything we have achieved over the years with the team. Our steady and sustained growth, along with our passion for technology, have made MHP Consulting Romania a significant player in the field of technological innovation, with nearly 1,000 employees and a substantial national presence. I am proud to leave behind a stable company, ready to take on new challenges and reach new performance milestones alongside Radu Radovici and Monica Potop, CFO of MHP Consulting Romania."

Starting February 1, 2025, Hörmann took the lead in the newest project of MHP, a key step in the group's global expansion. In this regard, Bernd-Otto Hörmann is eager to take on his new role, viewing it as a unique opportunity to build a new project from scratch and drive innovation.

# ENABLING YOU TO SHAPE A BETTER TOMORROW

## About MHP

As a technology and business partner, MHP has been digitizing the processes and products of its around 300 mobility and manufacturing sector customers worldwide for 28 years and providing support for their IT transformations along the entire value chain. For the management and IT consultancy, one thing is certain: digitization is one of the biggest levers on the path to a better tomorrow. This is why MHP, a Porsche AG company, provides both operational and strategic consulting in areas such as customer experience and workforce transformation, supply chain and cloud solutions, platforms and ecosystems, big data and AI, as well as Industry 4.0 and intelligent products. Headquartered in Germany, the consultancy operates internationally with subsidiaries in the USA, Mexico, the UK, Romania, and China. More than 5,000 MHP employees are united by their pursuit of excellence and sustainable success. It is this aspiration that will continue to drive MHP – today and in the future.
