“28 years of MHP – 28 donations”

MHP supports children, social causes and sustainability

- The management and IT consultancy MHP meets its responsibility to society and the community through its annual Christmas donations
- “28 years of MHP – 28 donations” is part of the company’s annual aid program
- For over 20 years, MHP has donated €25,000 each to the Children’s Heart Center (Olgäle Foundation) at Klinikum Stuttgart and Tannheim Aftercare Clinic, thus demonstrating its commitment to children and families
- More than €125,000 was donated in 2024 to support social causes, children and young people, sustainability, mobility and culture

Ludwigsburg – Once again this year, the management and IT consultancy MHP is demonstrating its commitment to society and the community by making donations to aid projects. One particular project is “28 years of MHP – 28 donations”. This year, 28 donations of €2,800 each were made to selected (aid) organizations at MHP’s locations across Germany just in time for Christmas. The recipients included children’s aid projects and hospices, environmental protection groups and food banks in Ludwigsburg, Munich, Nuremberg, Ingolstadt, Frankfurt, Düsseldorf, Wolfsburg, Dresden and Berlin.

Federico Magno, Group CEO of MHP, explains: “A commitment to society has been at the heart of MHP ever since it was founded. I notice and feel that every day. We take our responsibility towards society and our environment very seriously. Doing good, standing together and helping others is therefore a matter of course for us as a team. Our commitment is absolutely essential, especially in times like these.”

Joint partnership with the Olgäle Foundation in Stuttgart

In addition to the annual Christmas donation as part of the “28 years of MHP – 28 donations” project, MHP once again gave €25,000 to the Children’s Heart Center at Klinikum Stuttgart this year. MHP has a long-standing partnership with the Olgäle-Stiftung für das kranke Kind e.V. (Olgäle Foundation). “Our donation to the Olgäle Foundation Children’s Heart Center at

Klinikum Stuttgart is something very close to our hearts. Our social commitment began with this donation more than 20 years ago and we're pleased to be able to provide long-term help through our active partnership," says Ingo Guttenson, Head of Sponsoring & CSR at MHP. This social commitment has also helped to make the pediatric cardiology department one of the most modern in Europe. All young patients – from premature babies to adolescents – with congenital or acquired heart conditions are treated here. The broad spectrum of pediatric cardiology services at the Olgahospital ranges from diagnosis, therapy and care to intensive support after heart operations.

Renewed support for Tannheim Aftercare Clinic

Tannheim Aftercare Clinic's medical-therapeutic treatment approach gives new hope to families with severely chronically ill children. At the clinic, they receive intensive care and support to help them stabilize physically and mentally and regain their strength. With this year's donation of €25,000, MHP wants to support the families affected and give something back to the Baden-Württemberg region. This donation is also close to MHP's heart because it enables the clinic to offer patients of all ages and their families the rehabilitation measures they need and deserve.
